

Telemedicine is a convenient and low-cost option when you can't get to your doctor.

With telemedicine from MDLIVE, you have 24/7 access to a licensed primary care doctor for non-emergency medical conditions, such as:

- Colds and flu
- Allergies
- Asthma
- Pink eye
- Ear infections
- Sinus problems
- · Respiratory infections
- Joint aches and pains
- Vomiting and nausea
- And more

Telemedicine is a quick and easy option to talk to a doctor by video, phone, or mobile app — anytime, anywhere. Check your plan to see how telemedicine is covered.

Independence Blue Cross offers products through its subsidiaries Independence Hospital Indemnity Plan, Keystone Health Plan East and QCC Insurance Company, and with Highmark Blue Shield — independent licensees of the Blue Cross and Blue Shield Association.

Don't wait until you're sick! There are several ways to activate your account once you have your member ID card.
